Trustees' Report
For the year ended 31 August 2017

The Trustees (who are also the directors of the charity for the purposes of the Companies Act) present their annual report together with the audited financial statements for the year ended 31 August 2017. The Annual report serves the purposes of both a Trustees' report, and a Directors' report under company law. The Trustees confirm that the annual report and financial statements of the Academy comply with the current statutory requirements, the requirements of the Academy's articles of association and the provisions of the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities" issued in 2015.

The Trust operates an Academy for pupils aged 11 to 19 serving a catchment area in Tonbridge & Malling, Sevenoaks and Gravesham in Kent. It has a pupil capacity of 716 based on official 'net capacity' calculations, and had a roll of 796 (2016 - 747) in the census on 5 October 2017. The board of Trustees changed the name of the Academy trust by special resolution to Divergent Partnership Trust which took effect on 22 November 2017. During the year under review the trust comprised solely Wrotham School.

OBJECTIVES AND ACTIVITIES

Objects and aims

The principle objective of Wrotham School is to provide education for students of different abilities and achieves this by providing a state education, free of charge, to pupils aged 11 to 19.

In exercising their powers, the Trustees have complied with their duty to have due regard to the guidance on public benefit published by the Charity Commission.

During this period of accounting The Academy Trust sought to develop its role and scope as a Multi Academy Trust. In September 2016 the Trust was approved as an academy sponsor and was commissioned by Kent County Council to support a local maintained school which required significant school improvement. An Executive Headteacher was appointed to oversee this work. This work has been successful and the school has been issued with an academy order with Wrotham School named as the sponsor. Therefore, this school will join the multi academy trust in due course. The Trust resolved to change its name to the Divergent Partnership Trust on 14 November 2017.

Objectives, strategies and activities

The main strategic aims of the Academy are summarised below:

- to support every student to achieve academic excellence and personal success
- to ensure that every student enjoys and receives high quality education
- to raise the standards of educational achievements of all students
- to invest in staff and student development through new initiatives and opportunities
- to provide value for money
- to develop a small local MAT that values partnerships of equals, and aims to grow excellent local schools that local children can attend together

The main strategy is encompassed in the Academy's motto of 'High Expectations, Challenge and Opportunity'. Activities provided include:

- tuition and learning opportunities for all students to attain the best possible academic qualifications
- training and development opportunities for all staff
- investment in providing excellent learning environments
- a large variety of education visits for all subjects, throughout the UK and Europe

In setting the objectives listed above and planning activities the Trustees have given careful consideration to the Charity Commission's general guidance on the public benefit.

The Academy is an equal opportunity organisation and is committed to take a positive stand to ensure all

stakeholders have a right to equality of opportunity and achievement regardless of race and ethnicity, faith, belief and religion, disability and access, age, sex, sexual orientation, transexualism, and marital status.

Equality of opportunity is related to all areas of the Academy's work and is a fundamental aspect of the ethos of the Academy. We will make reasonable adjustments to meet the needs of staff or students who are or become disabled. Lifts, ramps and disabled toilets are installed and door widths are adequate to enable wheelchair access to all main areas of the Academy.

Wrotham School is committed to safeguarding and promoting the welfare of children and young people, and expects all staff and volunteers to share this commitment. All posts are subject to an enhanced Disclosure Application to the Disclosure and Barring Service and check against the ISA Barred List for children.

Parents are given regular information about their son/daughter's social and academic progress through 6 progress reports a year and one full report a year as well as Parent Evenings, Parent Portal (secure online system), Newsletters, and regular contact with parents is maintained as and when required.

ACHIEVEMENTS AND PERFORMANCE

Going concern

After making appropriate enquiries, the Board of Trustees has a reasonable expectation that the Company has adequate resources to continue in operational existence for the foreseeable future. For this reason it continues to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Statement of Accounting Policies.

Key performance indicators

The Academy Development Plan drives improvement and along with the Academy's financial performance is monitored by the Leadership and Management Committee.

Financial review

The principal sources of income for the Academy's funding is obtained from the Department of Education (via the ESFA) in the form of recurrent grants; the use of which is restricted to particular purposes. Additional income is achieved through lettings of the academy facilities, including a 3G All-Weather football pitch.

Leaders of learning receive a devolved budget in order to procure curriculum based expenditure. This is monitored by members of the leadership team and Finance Director, ensuring Value for Money is achieved.

Pupil Premium funding is received annually to support groups of students vulnerable to possible underachievement. This funding is spent on a number of strategic priorities to help raise the attainment and achievement of identified students and is regularly reviewed by the Trustees.

This strategy is supported throughout the year with 'Year 7 Catch up' with the money being used to implement a reading and numeracy catch up for year 7 and other Key Stage 3 students who are behind their chronological reading age and in need of intervention with their numeracy skills.

The day to day financial management of the Company is the responsibility of the Executive Headteacher, supported and overseen by the Leadership and Management Committee.

Achievements and performance

Ofsted inspected the Academy in May 2015. Overall effectiveness was judged as 'good' along with the quality of leadership and management, the achievement of students, the quality of teaching of learning and the behaviour and safety of students. Since then the Academy has improved in every respect with outcomes for students in 2017 reflecting this.

Key performance measure:

Key Stage 4 outcomes	2016 (best entry)	2017 (Unvalidated)
% achieving Grades c+ or 4+ in English and mathematics	64%	72%
% achieving Grades c+ or 4+ in English	78%	85%

Attainment 8	49	45.1
Progress 8	+0.07	+0.06
Post 16 outcomes	2017	
% Grades A*-B	63%	
% Grades A*-C	87%	
Level 3 Value Added A levels	+0.05	
	(Upper confidence limit above zero)	
Level 3 Value Added Vocational	+0.84	

Principal risks and uncertainties

The Trustees have assessed the major risks to which the Academy is exposed, in particular those relating to teaching/academic performance, provision of facilities and other operational areas of the Academy, and its finances. The Trustees have implemented a number of systems to assess risks that the Academy faces, especially in the operational area (e.g. In relation to teaching, health and safety, bullying and school trips) and in relation to the control of finance. They have introduced systems, including operational procedures (e.g. vetting of new staff and visitors, supervision on academy grounds) and internal financial controls in order to minimize risk. Where significant financial risk still remains they have ensured they have adequate insurance cover. The Academy has an effective system of internal financial controls and this is explained in more detail in the statement of internal financial controls.

(A company limited by guarantee)

Trustees' Report (continued)
For the year ended 31 August 2017

The Trustees have considered the risks presented to the Academy and have implemented policies and systems to mitigate these risks. The Academy will continue to manage these risks, through a series of performance reviews, monitoring and efficiency evaluation, to ensure that any future annual deficit can be met by reserves. The Trustees have deemed the following risks to be of most serious consequences to the Academy:

- Failure to successfully recruit and retain students;
- Changes to Government policy on Education;
- Changes to Education priorities by the Government;
- Pressure on funding as a result of Government Fiscal Policy;
- Loss of a key member of the Senior Leadership Team;
- Impact of uncontrollable event e.g. fire or flood;
- Major injury or a health and safety issue or environmental incident;
- Changes to Pension policy or funding for the TPS and LGPS.

The plans and strategies employed to manage the above risks are explained in the Governance Statement on Page 12.

Reserves Policy

The Trustees have formalised a policy on reserves, which is held separately within the budget and available to support the strategic aims of the Academy. This is monitored by Trustees and Management to ensure that sufficient reserves are maintained to meet anticipated future needs while avoiding long term accumulation of excessive funds.

With imminent changes to the funding formula it is essential that adequate revenue funds are available to support future staffing structures and curriculum initiatives, all of which is constantly reviewed through Leadership and Management and/or Trustee visits.

Material investments policy

There are no investments held beyond cash deposits retained with the major UK clearing banks. Speculative investments are not permitted.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Constitution

The Academy is a company limited by guarantee and an exempt charity and was set up by a memorandum of association on 8 June 2011. The charitable company's memorandum and articles of association are the primary governing documents of the academy trust.

The Trustees of Divergent Partnership Trust are also the directors of the charitable company for the purpose of company law.

The charitable company is known as Divergent Partnership Trust.

Details of the Trustees who served during the year are included in the Reference and Administrative Details as well as the Trustees Report.

During the year four Governors resigned, Mr J S Finney and Mr K Williams on 31 August 2017, Mr E Moe and Mr D Price on 9 March 2017. The following appointments were made during the past year, Mr J C Emmitt and Mr M Pitchford on 9 March 2017, Mr P G Bridgman, Mrs C F Gilhooly, Mr C J Miller-Hanna and Mr J Smith on 29 June 2017.

Members' liability

Each member of the charitable company undertakes to contribute to the assets of the charitable company in the event of it being wound up while they are a member, or within one year after they cease to be a member, such amount as may be required, not exceeding £10, for the debts and liabilities contracted before they ceased to be a member.

Method of recruitment and appointment or election of Trustees

The Board is currently comprised of 13 Trustees, of whom 2 are Staff Trustees and 2 are Parent Trustees. The appointment of Trustees is governed by the Company's Articles of Association. The members of the Company may appoint up to 20 Trustees. They may also appoint Staff Trustees through such process as they may determine, providing no more than one third of the Trustees are employees of the Company. The Executive Headteacher and Headteacher automatically become a Trustee upon appointment. A minimum of two Parent Trustees shall be appointed by the Board of Trustees based upon an election or ballot by parents of registered pupils at the Academy, conducted in such manner as the Board of Trustees may determine. Parent Trustees must be the parent of a registered pupil at the Academy at the time they are elected. The Board of Trustees will recruit Trustees according to the needs of the Academy and the skills the Board of Trustees require.

For the year ended 31 August 2017

Policies and procedures adopted for the induction and training of Trustees

The training and induction provided for new Trustees will depend on their existing experience.

An induction programme is available to all new Trustees, and this includes a meeting with the Headteacher and Chair of Trustees, a tour of the Academy, a welcome pack and an induction booklet, which includes copies of relevant policies and procedures.

Where necessary, induction will include training in charity, educational legal and financial matters relevant to the operation of the Company. They are also provided with an annual training programme for both internal workshops/training and external specific Academy Trustee courses. A careful record of Trustees' training is maintained.

The Company ensures that all Trustees are provided with the information needed to undertake their role as Trustees.

Organisational structure

The Trustees are responsible for setting the strategic direction of the Academy. They are also responsible for the general policy, adopting an annual improvement plan and budget, monitoring the Academy by the use of budgets and making major decisions about the direction of the Academy, capital expenditure and senior staff appointments.

The Board of Trustees comprises those persons appointed under the Articles of Association. The Board meets a minimum of four times a year. The Committees structure includes Teaching & Learning; Behaviour & Safeguarding; Health & Safety and Leadership & Management. All of these committees are formally constituted with terms of reference and comprise appropriately qualified and experienced members.

The Board delegates specific responsibilities to its Committees, the activities of which are reported to and discussed at full Board Meetings. Day to day management of the Academy is undertaken by the Headteacher, supported by the Senior Leadership Team.

The Senior Leadership Team comprised of the Executive Headteacher (who is also the Accounting Officer), the Headteacher, the Deputy Headteacher, and four Assistant Headteachers. They control the Academy at an executive level ensuring that full compliance with the policies set out by the Trustees. The appointment panel for a Leadership post always includes a Trustee. Spending control is devolved to the Executive Headteacher and Finance Director. A scheme of delegation is in operation with limits above which cheques/approvals are countersigned by a Trustee.

Connected organisations, including related party relationships

The Academy does not have any connected organisations.

Where Trustees offer their services to the Academy their interest is recorded on the relevant paperwork and the circumstances discussed by the Board. The Executive Headteacher, Headteacher and staff Trustees are employees of the company.

Trustees' indemnities

Directors' & Officers' insurance is in place through the ESFA Risk Protection Assurance scheme. This policy has a limit of indemnity of £10,000,000. The cover is for legal liability for claims arising from a breach of professional duty by reason of any neglect, error or omission.

Plans for future periods

Future developments

One successful Condition Improvement Fund (CIF) bids was approved for major roofing repairs. The Academy appealed against another unsuccessful bid for the renovation of the curtain wall of the front elevation of the main building, receiving the news that this was successful in August 2017.

The Trust plans to grow a small local MAT over the next 3-5 years. One local secondary school is already in the process of converting to academy status and joining the Trust. The Trust aims to grow the MAT by one further school over the next 12-18 months. Furthermore, the Trust is exploring the opportunity to expand the size of provision at Wrotham School to meet the increasing local demand.

Employee involvement and employment of the disabled

Disabled employees

Lifts, ramps and disabled toilets are installed and door widths are adequate to enable wheelchair access to all main areas of the Academy. The policy of the Academy is to support recruitment and retention of students and employees with disabilities. The Academy does this by adapting the physical environment, by making support resources available and through training and career development.

Employee Consultation

Academy staff are empowered to elect colleagues to sit and serve as Trustees. Trustees regularly meet with staff ranging from attendance at formal board and committee meetings, Trustee visits and general open days where staff can meet and talk to Governors.

Strategic report

Disclosure of information to auditors

Insofar as the Trustees are aware:

- there is no relevant audit information of which the charitable company's auditors are unaware, and
- that Trustees have taken all the steps that ought to have been taken as a Trustees in order to be aware of any relevant audit information and to establish that the charitable company's auditors are aware of that information.

The Trustees' report, incorporating a strategic report, was approved by order of the Board of Trustees , as the company directors, on 23 November 2017 and signed on its behalf by:

S Smith

Governance Statement

Scope of Responsibility

As trustees, we acknowledge we have overall responsibility for ensuring that Divergent Partnership Trust has an effective and appropriate system of control, financial and otherwise. However such a system is designed to manage rather than eliminate the risk of failure to achieve business objectives, and can provide only reasonable and not absolute assurance against material misstatement or loss.

The Board of Trustees has delegated the day-to-day responsibility to the Executive Headteacher, as Accounting Officer, for ensuring financial controls conform with the requirements of both propriety and good financial management and in accordance with the requirements and responsibilities assigned to it in the funding agreement between Divergent Partnership Trust and the Secretary of State for Education. They are also responsible for reporting to the Board of Trustees any material weaknesses or breakdowns in internal control.

Governance

The information on governance included here supplements that described in the Trustees' report and in the Statement of Trustees' responsibilities. The Board of Trustees has formally met 4 times during the year. Attendance during the year at meetings of the Board of Trustees was as follows:

Trustee	Meetings attended	Out of a possible
S Smith, Chair	4	4

During the year a full review of the Governance arrangements, including skills audit, was undertaken and a Governing Body development plan is in place.

During the recent Ofsted inspection in May 2015 the Governance of the Academy was found to be 'Good' with the following comments:

The governance of the academy:

- The governing body is skilled and knowledgeable. It holds school leaders to account to secure good teaching and achievement and strives to raise standards further. Trustees check how well the Academy is doing in comparison to other academies and schools nationally. They visit the Academy regularly to look at the quality of teaching and the standard of work done by students. Trustees know how well the Academy is performing and what still needs improving.
- Trustees have a good knowledge and understanding of the national teaching standards. They use them effectively in setting targets for teachers and only good performance is rewarded. Trustees know where teaching is strong and how all staff are helped to improve. They support the Headteacher to act quickly to tackle successfully any underperformance.

DIVERGENT PARTNERSHIP TRUST
(A company limited by guarantee)

Governance Statement (continued)

- Trustees ensure that all monies are used well to meet the needs of the Academy. They track the range of the support given to students who are eligible for additional government funding and the good effect this has on their achievement.
- The Academy's finances are well managed and available resources are employed effectively.
- Trustees ensure that safeguarding procedures meet current requirements.

The Leadership and Management Committee is a sub-committee of the main Board of Trustees. Its purpose is to assist the decision making of the main board of Trustees, by enabling more detailed consideration to be given to the best means of fulfilling the Trustee's responsibilities to ensure sound management of the Academy's finances and resources, including proper planning and monitoring.

Attendance at meetings in the year was as follows:

Review of Value for Money

As Accounting Officer, the Executive Headteacher has responsibility for ensuring that the Academy delivers good value in the use of public resources. The Accounting Officer understands that value for money refers to the educational and wider societal outcomes achieved in return for the taxpayer resources received. Furthermore, the Executive Headteacher is providing executive leadership of a local maintained secondary school, and therefore working with the local governing body of that school to ensure delivers improved value for money.

The Accounting Officer considers how the Academy's use of its resources has provided good value for money during each academic year, and reports to the Board of Trustees where value for money can be improved, including the use of benchmarking data where appropriate. The Accounting Officer for the Academy has delivered improved value for money during the year by:

- Improving the quality of teaching so that the results of the Academy can be maintained in order to attract an increasing student roll year on year, as well as being known as a centre of excellence in education within its catchment area;
- Reviewing the structure of the senior management team to ensure the split of responsibilities is in line with experience and qualification of those senior managers and at the same time ensuring that all departments have the full backing of the senior management team in achieving the maximum efficiency and results within the departments;
- Transparency of spending within the senior leadership and middle management teams to create more awareness within the full management team of the importance in obtaining value for money;
- Ensuring the best value for money is obtained on purchases by obtaining quotes from multiple sources and negotiating for the best prices possible within the market;
- Ensuring that all expenditure is essential for the improvement of education within the Academy.

The Purpose of the System of Internal Control

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of Academy policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically. The system of internal control has been in place in Divergent Partnership Trust for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements.

Governance Statement (continued)

Capacity to Handle Risk

The Board of Trustees has reviewed the key risks to which the Academy is exposed together with the operating, financial and compliance controls that have been implemented to mitigate those risks. The Board of Trustees is of the view that there is a formal ongoing process for identifying, evaluating and managing the Academy's significant risks, that has been in place for the year 1 September 2016 to 31 August 2017 and up to the date of approval of the annual report and financial statements. This process is regularly reviewed by the Board of Trustees.

The Risk and Control Framework

The Academy's system of internal financial control is based on a framework of regular management information and administrative procedures including the segregation of duties and a system of delegation and accountability. In particular, it includes:

- comprehensive budgeting and monitoring systems with an annual budget and periodic financial reports which are reviewed and agreed by the Board of Trustees;
- regular reviews by the Leadership and Management Committee of reports which indicate financial performance against the forecasts and of major purchase plans, capital works and expenditure programmes;
- setting targets to measure financial and other performance;
- clearly defined purchasing (asset purchase or capital investment) guidelines.
- delegation of authority and segregation of duties;
- identification and management of risks.

The Board of Trustees has considered the need for a specific internal audit function and has decided not to appoint an internal auditor. However, the Trustees have appointed Williams Giles Limited, the external auditors, to perform additional checks.

The auditors' role includes giving advice on financial matters and performing a range of checks on the Academy's financial systems. In particular the checks carried out in the current period included:

- Testing of purchase systems
- Testing of control account /bank reconciliations
- Testing of payroll systems

The auditors report to the Board of Trustees through the audit committee on the operation of the systems of control and on the discharge of the Board of Trustees' financial responsibilities.

(A company limited by guarantee)

Governance Statement (continued)

Review of Effectiveness

As Accounting Officer, the Executive Headteacher has responsibility for reviewing the effectiveness of the system of internal control. During the year in question the review has been informed by:

- the work of the external auditors;
- the financial management and governance self-assessment process;
- the work of the executive managers within the Academy who have responsibility for the development and maintenance of the internal control framework.

The Accounting Officer has been advised of the implications of the result of their review of the system of internal control by the Leadership and Management Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

Statement on Regularity, Propriety and Compliance

As Accounting Officer of Divergent Partnership Trust I have considered my responsibility to notify the Academy Trust Board of trustees and the Education and Skills Funding Agency (ESFA) of material irregularity, impropriety and non-compliance with ESFA terms and conditions of funding, under the funding agreement in place between the academy trust and the Secretary of State for Education. As part of my consideration I have had due regard to the requirements of the Academies Financial Handbook 2016.

I confirm that I and the Academy Trust Board of trustees are able to identify any material irregular or improper use of funds by the Academy Trust, or material non-compliance with the terms and conditions of funding under the academy trust's funding agreement and the Academies Financial Handbook 2016.

I confirm that no instances of material irregularity, impropriety or funding non-compliance have been discovered to date. If any instances are identified after the date of this statement, these will be notified to the Board of trustees and ESFA.

Statement of Trustees' Responsibilities
For the year ended 31 August 2017

The Trustees (who act as governors of Divergent Partnership Trust and are also the directors of the charitable company for the purposes of company law) are responsible for preparing the Trustees' report and the financial statements in accordance with the Annual Accounts Direction issued by the Education and Skills Funding Agency, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) and applicable law and regulations.

Company law requires the Trustees to prepare financial statements for each financial year. Under company law the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charitable company and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017;
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charitable company's transactions and disclose with reasonable accuracy at any time the financial position of the charitable company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for ensuring that in its conduct and operation the charitable company applies financial and other controls, which conform with the requirements both of propriety and of good financial management. They are also responsible for ensuring grants received from ESFA/DfE have been applied for the purposes intended.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the charitable company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Independent Auditors' Report on the Financial Statements to the Members of Divergent Partnership Trust

Opinion

We have audited the financial statements of Divergent Partnership Trust for the year ended 31 August 2017 which comprise the Statement of financial activities incorporating income and expenditure account, the Balance sheet, the Statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law, United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), including FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

This report is made solely to the academy's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the academy's members those matters we are required to state to them in an Auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the academy and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

In our opinion the financial statements:

- give a true and fair view of the state of the academy's affairs as at 31 August 2017 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006, the Charities SORP 2015 and the Academies Accounts Direction 2016 to 2017 issued by the Education and Skills Funding Agency.

Basis of opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the academy in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the Trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the academy's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The Trustees are responsible for the other information. The other information comprises the information included in the Annual report, other than the financial statements and our Auditor's report thereon. Our opinion on the financial statements does not cover the information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

Independent Auditors' Report on the Financial Statements to the Members of Divergent Partnership Trust

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report including the Strategic Report for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report and the Strategic Report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the academy and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report including the Strategic Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remunerations specified by law not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' responsibilities, the Trustees (who are also the directors of the academy for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the academy's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the academy's or to cease operations, or have no realistic alternative but to do so.

Independent Auditors' Report on the Financial Statements to the Members of Divergent Partnership Trust

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. The description forms part of our Auditor's report.

Independent Reporting Accountants' Assurance Report on Regularity to Divergent Partnership Trust and the Education and Skills Funding Agency

In accordance with the terms of our engagement letter dated 21 March 2016 and further to the requirements of the Education and Skills Funding Agency (ESFA) as included in the Academies Accounts Direction 2016 to 2017, we have carried out an engagement to obtain limited assurance about whether the expenditure disbursed and income received by Divergent Partnership Trust during the year 1 September 2016 to 31 August 2017 have been applied to the purposes identified by Parliament and the financial transactions conform to the authorities which govern them.

This report is made solely to Divergent Partnership Trust and the ESFA in accordance with the terms of our engagement letter. Our work has been undertaken so that we might state to Divergent Partnership Trust and the ESFA those matters we are required to state in a report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than Divergent Partnership Trust and the ESFA, for our work, for this report, or for the conclusion we have formed.

Respective responsibilities of Divergent Partnership Trust's accounting officer and the reporting accountant

The Accounting Officer is responsible, under the requirements of Divergent Partnership Trust's funding agreement with the Secretary of State for Education dated 1 April 2013, and the Academies Financial Handbook extant from 1 September 2016, for ensuring that expenditure disbursed and income received is applied for the purposes intended by Parliament and the financial transactions conform to the authorities which govern them.

Our responsibilities for this engagement are established in the United Kingdom by our profession's ethical guidance and are to obtain limited assurance and report in accordance with our engagement letter and the requirements of the Academies Accounts Direction 2016 to 2017. We report to you whether anything has come to our attention in carrying out our work which suggests that in all material respects, expenditure disbursed and income received during the year 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament or that the financial transactions do not conform to the authorities which govern them.

Approach

We conducted our engagement in accordance with the Academies Accounts Direction 2016 to 2017 issued by the ESFA. We performed a limited assurance engagement as defined in our engagement letter.

The objective of a limited assurance engagement is to perform such procedures as to obtain information and explanations in order to provide us with sufficient appropriate evidence to express a negative conclusion on regularity.

A limited assurance engagement is more limited in scope than a reasonable assurance engagement and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in a reasonable assurance engagement. Accordingly, we do not express a positive opinion.

Our engagement includes examination, on a test basis, of evidence relevant to the regularity and propriety of the academy's income and expenditure.

Conclusion

In the course of our work, nothing has come to our attention which suggests that in all material respects the expenditure disbursed and income received during the year 1 September 2016 to 31 August 2017 have not been applied to purposes intended by Parliament and the financial transactions do not conform to the authorities which govern them.

Notes to the Financial Statements
For the year ended 31 August 2017

1. Accounting Policies

Wrotham School is a charitable company limited by guarantee and an exempt charity incorporated in England and Wales. The registered office is Wrotham School, Borough Green Road, Wrotham, Sevenoaks, TN15 7RD. The principal activity of the academy trust is to provide a secondary education for pupils that satisfies the requirements of the Education Act 2002.

A summary of the principal accounting policies adopted (which have been applied consistently, except where noted), judgments and key sources of estimation uncertainty, is set out below.

1.1 Basis of preparation of financial statements

The financial statements of the Academy Trust, which is a public benefit entity under FRS 102, have been prepared under the historical cost convention in accordance with the Financial Reporting Standard Applicable in the UK and Republic of Ireland (FRS 102), the Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)), the Academies Accounts Direction 2016 to 2017 issued by ESFA, the Charities Act 2011 and the Companies Act 2006.

Divergent Partnership Trust constitutes a public benefit entity as defined by FRS 102.

1.2 Going concern

The Trustees assess whether the use of going concern is appropriate, i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the academy to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the academy trust has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Academy Trust's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

1. Accounting Policies (continued)

1.3 Income

All income is recognised once the Academy has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Grants are included in the Statement of financial activities incorporating income and expenditure account on a receivable basis. The balance of income received for specific purposes but not expended during the period is shown in the relevant funds on the Balance sheet. Where income is received in advance of entitlement of receipt, its recognition is deferred and included in creditors as deferred income. Where entitlement occurs before income is received, the income is accrued.

General Annual Grant is recognised in full in the Statement of financial activities incorporating income and expenditure account in the year for which it is receivable and any abatement in respect of the period is deducted from income and recognised as a liability.

Capital grants are recognised when there is entitlement and are not deferred over the life of the asset on which they are expended. Unspent amounts of capital grant are reflected in the balance in the restricted fixed asset fund.

Sponsorship income provided to the Academy which amounts to a donation is recognised in the Statement of financial activities incorporating income and expenditure account in the period in which it is receivable, where receipt is probable and it is measurable.

Donations are recognised on a receivable basis where receipt is probable and the amount can be reliably measured.

Other income, including the hire of facilities, is recognised in the period in which it is receivable and to the extent the goods have been provided or on completion of the service.

1.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on raising funds includes all expenditure incurred by the Academy to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities are costs incurred on the Academy's educational operations, including support costs and those costs relating to the governance of the Academy appointed to charitable activities.

All expenditure is inclusive of irrecoverable VAT.

1. Accounting Policies (continued)

1.5 Tangible fixed assets and depreciation

All assets costing more than £5,000 are capitalised and are carried at cost, net of depreciation and any provision for impairment.

Depreciation is provided on all tangible fixed assets other than freehold land, at rates calculated to write off the cost of these assets, less their estimated residual value, over their expected useful lives on the following bases:

Tangible fixed assets are carried at cost, net of depreciation and any provision for impairment. Depreciation is not charged on freehold land. Depreciation is provided at rates calculated to write off the cost of fixed assets, less their estimated residual value, over their expected useful lives on the following bases:

Freehold property	-	2% Straight Line (Land element not depreciated)
Motor vehicles	-	25% Reducing Balance
Fixtures and fittings	-	10% Reducing Balance
Computer equipment	-	20% Straight Line

A review for impairment of a fixed asset is carried out if events or changes in circumstances indicate that the carrying value of any fixed asset may not be recoverable. Shortfalls between the carrying value of fixed assets and their recoverable amounts are recognised as impairments. Impairment losses are recognised in the Statement of financial activities incorporating income and expenditure account.

1.6 Operating leases

Rentals under operating leases are charged to the Statement of financial activities incorporating income and expenditure account on a straight line basis over the lease term.

1.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

1.8 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

1.9 Cash at Bank and in hand

Cash at bank and in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Notes to the Financial Statements
For the year ended 31 August 2017

1. Accounting Policies (continued)

1.10 Liabilities and provisions

Liabilities and provisions are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably. Liabilities are recognised at the amount that the academy anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide. Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

1.11 Taxation

The Academy is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes. Accordingly, the Academy is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

1.12 Pensions

Retirement benefits to employees of the Academy Trust are provided by the Teachers' Pension Scheme ("TPS") and the Local Government Pension Scheme ("LGPS"). These are defined benefit schemes.

The TPS is an unfunded scheme and contributions are calculated so as to spread the cost of pensions over employees' working lives with the academy in such a way that the pension cost is a substantially level percentage of current and future pensionable payroll. The contributions are determined by the Government Actuary on the basis of quadrennial valuations using a prospective unit credit method. As stated in note 24, the TPS is a multi-employer scheme and there is insufficient information available to use defined benefit accounting. The TPS is therefore treated as a defined contribution scheme for accounting purposes and the contributions recognised in the period to which they relate.

The LGPS is a funded scheme and the assets are held separately from those of the Academy Trust in separate trustee administered funds. Pension scheme assets are measured at fair value and liabilities are measured on an actuarial basis using the projected unit credit method and discounted at a rate equivalent to the current rate of return on a high quality corporate bond of equivalent term and currency to the liabilities. The actuarial valuations are obtained at least triennially and are updated at each Balance sheet date. The amounts charged to operating surplus are the current service costs and the costs of scheme introductions, benefit changes, settlements and curtailments. They are included as part of staff costs as incurred. Net interest on the net defined benefit liability/asset is also recognised in the Statement of financial activities incorporating income and expenditure account and comprises the interest cost on the defined benefit obligation and interest income on the scheme assets, calculated by multiplying the fair value of the scheme assets at the beginning of the period by the rate used to discount the benefit obligations. The difference between the interest income on the scheme assets and the actual return on the scheme assets is recognised in other recognised gains and losses.

Actuarial gains and losses are recognised immediately in other recognised gains and losses.

(A company limited by guarantee)

Notes to the Financial Statements
For the year ended 31 August 2017

1. Accounting Policies (continued)

1.13 Agency arrangements

The Academy Trust acts as an agent in distributing 16-19 bursary funds from ESFA. Payments received from ESFA and subsequent disbursements to students are excluded from the statement of financial activities as the trust does not have control over the charitable application of the funds. The trust can use up to 5% of the allocation towards its own administration costs and this is recognised in the statement of financial activities. The funds received and paid and any balances held are disclosed in note 30.

1.14 Fund accounting

Unrestricted income funds represent those resources which may be used towards meeting any of the charitable objects of the Academy at the discretion of the Trustees.

Restricted fixed asset funds are resources which are to be applied to specific capital purposes imposed by the Department for Education where the asset acquired or created is held for a specific purpose.

Restricted general funds comprise all other restricted funds received with restrictions imposed by the funder and include grants from the Department for Education.

1.15 Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The Academy Trust makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Multi-employer defined benefit pension scheme

The present value of the Local Government Pension Scheme defined benefit liability depends on a number of factors that are determined on an actuarial basis using a variety of assumptions. The assumptions used in determining the net cost (income) for pensions include the discount rate. Any changes in these assumptions, which are disclosed in note 24, will impact the carrying amount of the pension liability. Furthermore a roll forward approach which projects results from the latest full actuarial valuation performed at 31 March 2016 has been used by the actuary in valuing the pensions liability at 31 August 2017. Any differences between the figures derived from the roll forward approach and a full actuarial valuation would impact on the carrying amount of the pension liability.

Critical areas of judgment:

Useful economic lives of tangible assets

The annual depreciation charge for tangible assets is sensitive to changes in the estimated useful economic lives and residual values of the assets. The useful economic lives and residual values are re-assessed annually. They are amended when necessary to reflect current estimates, based on technological advancement, future investments, economic utilisation and the physical condition of the assets. See note 15 for the carrying amount of the property, plant and equipment, and note 1.5 for the useful economic lives for each class of assets.

1. Accounting Policies (continued)

1.16 Donated services and gifts in kind

The value of donated services and gifts in kind provided to the Academy Trust are recognised at their open market value in the period in which they are receivable as incoming resources, where the benefit to the Academy Trust can be reliably measured. An equivalent amount is included as expenditure under the relevant heading in the Statement of Financial Activities, except where the gift in kind was a fixed asset in which case the amount is included in the appropriate fixed asset category and depreciated over the useful economic life in accordance with Academy Trust's policies.

During the year, no Trustees received any benefits in kind (2016 - £NIL).

During the year ended 31 August 2017, no Trustees received any reimbursement of expenses in respect of their duties as trustees (2016 - £NIL to 0 Trustees).

13. Trustees' and Officers' Insurance

The Academy Trust has opted into the Department for Education's risk protection arrangement (RPA), an alternative to insurance where UK government funds cover losses that arise. This scheme protects trustees and officers from claims arising from negligent acts, errors or omissions occurring whilst on Academy business, and provides cover up to £10,000,000. It is not possible to quantify the Trustees and officers indemnity element from the overall cost of the RPA scheme.

23. Contingent liabilities

During the period of the funding agreement, should any asset for which a capital grant was received be sold or otherwise disposed of, in the event of the Academy not reinvesting the proceeds, it will be required to pay the grant related proportion of the proceeds to the ESFA.

Should the funding agreement be terminated for any reason, the Academy shall repay to the ESFA the current value of the academy's land and buildings and other assets, to the extent that such assets were funded by sums received from the ESFA.

24. Pension commitments

The academy's employees belong to two principal pension schemes: the Teacher's Pension Scheme for England and Wales (TPS) for academic and related staff; and the Local Government Pension Scheme (LGPS) for non-teaching staff, which is managed by Kent County Council. Both are Multi-employer defined benefit pension schemes.

The latest actuarial valuation of the TPS related to the period ended 31 March 2012 and of the LGPS 31 March 2016.

Contributions amounting to £47,289 were payable to the schemes at 31 August 2017 (2016 - 43,549) and are included within creditors.

Teachers' Pension Scheme

Introduction

The Teachers' Pension Scheme (TPS) is a statutory, contributory, defined benefit scheme, governed by the Teachers' Pensions Regulations (2010) and, from 1 April 2014, by the Teachers' Pension Scheme Regulations 2014. Membership is automatic for full-time teachers in Academies and, from 1 January 2007, automatic for teachers in part-time employment following appointment or a change of contract, although they are able to opt out.

The TPS is an unfunded scheme and members contribute on a 'pay as you go' basis – these contributions along with those made by employers are credited to the Exchequer. Retirement and other pension benefits are paid by public funds provided by Parliament.

Valuation of the Teachers' Pension Scheme

The Government Actuary, using normal actuarial principles, conducts a formal actuarial review of the TPS in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014 published by HM Treasury. The aim of the review is to specify the level of future contributions. Actuarial scheme valuations are dependent on assumptions about the value of future costs, design of benefits and many other factors. The latest actuarial valuation of the TPS was carried out as at 31 March 2012 and in accordance with the Public Service Pensions (Valuations and Employer Cost Cap) Directions 2014. The valuation report was published by the Department for Education on 9 June 2014. The key elements of the valuation and subsequent consultation are:

- employer contribution rates set at 16.48% of pensionable pay, including a 0.08% employer administration charge
- total scheme liabilities (pensions currently in payment and the estimated cost of future benefits) for service to the effective date of £191,500 million, and notional assets (estimated future contributions together with the notional investments held at the valuation date) of £176,600 million giving a notional past service deficit of £14,900 million
- an employer cost cap of 10.9% of pensionable pay will be applied to future valuations
- the assumed real rate of return is 3.0% in excess of prices and 2% in excess of earnings. The rate of real earnings growth is assumed to be 2.75%. The assumed nominal rate of return is 5.06%.

Notes to the Financial Statements
For the year ended 31 August 2017

24. Pension commitments (continued)

During the previous year the employer contribution rate was 14.1%. The TPS valuation for 2012 determined an employer rate of 16.4%, which was payable from September 2015. The next valuation of the TPS is currently underway based on April 2016 data, whereupon the employer contribution rate is expected to be reassessed and will be payable from 1 April 2019.

The employer's pension costs paid to TPS in the period amounted to £285,000 (2016 - £265,000).

A copy of the valuation report and supporting documentation is on the Teachers' Pensions website (www.teacherspensions.co.uk/news/employers/2014/06/publication-of-the-valuation-report.aspx).

Under the definitions set out in FRS 102, the TPS is a multi-employer pension scheme. The trust has accounted for its contributions to the scheme as if it were a defined contribution scheme. The trust has set out above the information available on the scheme.

Local Government Pension Scheme

The LGPS is a funded defined benefit scheme, with assets held in separate trustee-administered funds. The total contribution made for the year ended 31 August 2017 was £111,000 (2016 - £102,000), of which employer's contributions totalled £86,000 (2016 - £79,000) and employees' contributions totalled £25,000 (2016 - £23,000). The agreed contribution rates for future years are 20% for employers and variable% for employees.

Parliament has agreed, at the request of the Secretary of State for Education, to a guarantee that, in the event of Academy closure, outstanding Local Government Pension Scheme liabilities would be met by the Department for Education. The guarantee came into force on 18 July 2013.
